Position Description

Volunteer Mentors have the opportunity to implement and assist with Safe Start Children's Services here at DVSAS. The main focus of this volunteer opportunity is mentoring children attending *Safe Start Playgroups* or *Family Hours* while their parents/caregivers access DVSAS services. Volunteer Mentors can also work with children one-on-one to provide Advocacy Counseling services. The *Safe Start Playgroups* provide a place for children to have fun and feel secure, to build relationships with adult role models that are built on safety and respect, to refine social skills, and to make friends.

How often would I volunteer?

- If your only volunteer commitment is as a mentor we ask that you commit to one 2 hour shift each week.
- If you are a volunteer advocate we ask that you commit to a 2 hour shift, twice a month.
- If you would like to volunteer more than once a week, you may chat with us about our internship opportunities!
